We would like to extend a huge THANK YOU to Chairman Lori Bango and the LD28 Board for their generous donation to the West Valley Republicans. LD28 has presented a gift of \$1000 to support our continuing efforts to keep the office open. WVR's Sun City office is totally self-supporting and reliant upon memberships and donations. The WVR is not funded by any state or county GOP funds.

THE BOOK NOOK - LIKE TO READ?

Title: *Crimes of the Educators: How Utopians are using Government Schools to Destroy American Children* by Samuel Blumenfeld and Alex Newman. Copyright 2021. Post Hill Press.

Reviewed by WVR volunteer June Ruyle.
"This book should be read and studied by everyone who has children in public schools or anyone who considers confronting government teachers or school board persons. Each of the 31 chapters deals with a subject that is used to dumb down our children. The 352 pages include notes and index."
